

Elgin 2010 Committee - Minutes
Elgin School District Office - Jan. 2, 1995

Attendance: Raymond and Vanetta McVey, LaVeta Botz, Olga Grant, Vanetta McVey, Maureen Smolkowski, Joe Garlitz, Patrick and Beth McMullen, Mary Rose Nichols, Gary Hathaway, and Kevin Cooper

The meeting started at 7:08 PM with a review and approval of the minutes from the Dec. 19, 1994 meeting. Mary Rose explained this was a special meeting to talk with Gary Hathaway on the Hunaha Park Project. Ray announced he would be taking down the creche on Jan. 3, 1995 and would need some help. Maureen suggested the Riverfest Committee needed to begin meeting soon.

Gary Hathaway had not arrived so the committee discussed possible updates and changes to the strategic plan. The business development goal was discussed at length. Adding a business incubator to assist cottage industries to the strategy was discussed and issues raised included getting access to Deb Rysdam's warehouse, locating and identifying potential tenants, employment services. The committee also discussed encouraging development to compliment Spouts Springs Resort. A business repairing and selling ski equipment in the winter and selling and repairing bikes in the summer was suggested. The business visitation concept introduced earlier was suggested as a first step in getting support and evidence of the need for a business incubator. The business visitation project was added as an action under strategy 2 of the strategic plan as Action A. A second action was added to strategy 2 and listed as Action D to work with the Elgin Chamber and the annual Chamber Banquet to promote the strategic plan. Both were added to the strategic plan.

Hunaha { Gary Hathaway arrived and the committee moved to the Hunaha Park Project. Gary presented two studies on other projects which were similar to Hunaha Park and discussed some of the related issues. The committee related to Gary that it had decided that it would be preferable to implement a smaller scale project with RV facilities and a day use area as soon as possible. However, the committee also agreed it was interested in a larger regional or county-wide initiative or a river restoration concept, possibly as a second phase of the project. Gary indicated that funding that is available is primarily for river restoration. Gary strongly recommended the soil at the park be tested for contaminants as quickly as possible. Several public agencies were suggested as possible collaborators. Joe said the city could dig the holes and Gary said he would arrange for someone to do the testing. Gary also indicated that a topographical survey of the site would also be needed. Joe and Gary said they would work on the survey. Gary said he would bring a list of adjacent land owners and bring it to the meeting on Jan. 16, 1995.

Joe indicated he would be ready to train Ron, Mary Rose, Kevin, and Christine on the phone messaging system by the next 2010 meeting. The committee discussed taking down banners and Christmas decorations. A Riverfest meeting was set for Monday Jan. 11, 1995, noon at the Hen House Restaurant.

The committee discussed Cycle Oregon coming to Elgin in September. After some discussion, the committee decided it would be the coordinator of the event. This will involve getting other groups in town (churches, Park & Rec. District, etc.) to be responsible for specific activities including feeding, entertaining, setting up and cleaning up camping areas, and other related functions. A committee was appointed for this task which included Olga, LaVeta, Maureen, Pat, Beth, Vanetta, and Christine. This committee will meet after Cycle Oregon gets ready for an announcement, probably in March.

Kevin suggested that Elgin needs to have information placed on the Internet including community profile information, recreation opportunities, industrial site information and other related information. He said he would contact Jim Craft at EOSC about the possibility of a regional effort to move this forward.

The next meeting was confirmed to be Monday, Jan. 16, 1995 at the School District Office. Having no other business, the meeting was adjourned at 9:03 pm.

Respectfully submitted, Kevin Cooper

Interfaith Caregivers

Dear Kathleen,

Enclosed please find my resume which includes past experience organizing and supervising volunteer and community services. I propose to apply to the UCCCF for funding as a Consultant to Elgin's ~~Neighborhood~~ Family Resource Center, hereafter referred to as the Neighborhood Network.

Consultation services will include:

- Meeting with working ~~committee~~ group and advisory board to launch the Neighborhood Network
- explore and recommend available fund-raising opportunities for services to be provided
- focus on development of Time and Talents Directory
- assist with ~~research~~ training of Neighborhood Network Members
- ~~research~~ assist with planning and presentation of parenting seminars

Consultation services to be billed to UCCCF at rate of \$50 per 60 min for a total of 10 hours or \$500.

I have attached ~~the~~ letters of support from Elgin's 2010 Committee

& thank you for considering this proposal. I look forward

I hope to be able to forward same from the Neighborhood Network's
Advisory Board.

to your
response.
